Archdiocesan Conference 2018

Nurturing the Parish Community

with His Eminence, Metropolitan Silouan

**Monday 28th May (3.00 pm) to
Wednesday 30th May (2.00 pm) 2018**

Hayes Conference Centre, Swanwick, Derbyshire

About the Conference

This year, at the direction of His Eminence Metropolitan Silouan, we shall explore how we can all contribute to our Christian community life in our parishes through prayer, study, caring and wider community work. Looking forward, perhaps, to when we shall have our own monastery in the Archdiocese, we shall also consider what makes for a healthy monastic community experience.

All are Welcome!
